## **5<sup>th</sup> zIReN Meeting – Welcome Address**

Manuel Eisner, Lilly Shanahan, Denis Ribeaud  
*z-proso Project Direction Team*

Max-Planck Institute for the Study of Crime, Security and Law, Freiburg i. Br., 14<sup>th</sup> September 2023

## What was going on since the last meeting?

### Activities at the z-proso «headquarter»

- Lea Buzzi (LB) hired as a RA in September 2022, teaming with Céline Gloor (CG)
- Survey data clean-up, scale preparation and data distribution (LB/CG)
  - K9 data
  - General data base clean-up and restructuration
  - Coding of the education data (ISCED)
- Data documentation – K4-K9 handbook (almost) ready (CG/LB)
- Data archiving at SWISSUbase data repository (CG)
  - Restricted K4-K8 version to be published within the next few days
- Processing of the criminal justice data (age 10-17): Ronja Kieft (student assistant)
- Acquisition and processing of official school career data (LB)
- Design, implementation and kick-off of z-proso NextGen (Laura, Lea, Denis, Lilly)
- Initial contacts established for the collection of age 18-25 criminal record data

Zac Prosi

## What was going on since the last meeting?

### Activities in the zIReN network and in collaborative studies

- Processing and analysis of the W9 hair samples (almost?) completed (Quednow/Shanahan)
- Processing of the CANTAB cognitive assessment data (Quednow/Shanahan)
- Amazing publication output:
  - 2022: 22 peer-reviewed publications from 15 different first authors
  - 2023: 22 peer-reviewed publications from 15 different first authors as of September 2023
  - Currently under review: 23 papers from 19 different first authors
  - Lots of other papers in preparation – more on this today and tomorrow...

## What's coming next?

- October 1<sup>st</sup>: 20 years of z-proso!
- November: Second D2M Experience Sampling data collection (Aja Murray/DeSciL)
- Age 18-25 criminal record data collection (ca. November 2023-Spring 2024)
- Acquisition of the nationwide educational participant data (includes university-level education)
- December 1<sup>st</sup>: 20 years z-proso Symposium at the Jacobs Foundation House
  - Focus on educational inequality and success
  - Distinguished audience with policy-makers, education science researchers and stakeholders in the field of education
- Hopefully: invitation to submit a proposal for the 2025-2028 period (K10 survey in 2026)
  - Invitation expected January 2024
  - Submission by May 2024
  - Decision by October 2024
- Further z-proso NextGen recruitment
- Further data documentation and archiving (T/P/K1-3)

## What's coming next?

**6<sup>th</sup> zIReN Meeting** at the Aldo Moro University  
of Bari (Apulia, Italy)

**5-7 September 2024**

Hosted by Prof. Pasquale Musso and his team  
from the Department of Education, Psychology and  
Communication Science)

**SAVE THE DATE!**

## A few practical issues

- Speaking time is limited to 15', to allow for enough time for questions and discussion

5 min.

1 min.

- Wifi access via EDUROAM (YOURNAME@YOURUNIVERSITY;  
e.g. [dribea@uzh.ch](mailto:dribea@uzh.ch))
  - Ask for local Wifi access if you cannot access via EDUROAM, names/pw provided
- Céline Gloor will take pictures including a group picture tomorrow
- There will be a seating order at both dinners, please respect it!  
This will increase networking opportunities and facilitate the service
- ECR funding: please send your invoices to Ines within the next few days
- Questions about Freiburg? Ask Sebastian!

# Thanks to the host and organizing team!

- Jean-Louis van Gelder (MPI director)
- Kathleen Straka (MPI secretary)
- Sebastian Kübel (MPI PhD student)
- Ines Florin (JC secretary)
- Céline Gloor (JC RA)
