

## Jacobs Center Seminar Spring 2020

The Jacobs Center organizes each semester a series of three to six interdisciplinary lectures, for which internationally renowned speakers are invited. The topics are related to the Center's major research areas. The Research Seminar Series takes place at the University and is open to the public. Teachers, students and other interested persons are cordially invited.

Location: Jacobs Center for Productive Youth Development, Andreasstrasse 15, 8050 Zürich, AND 4.19
